

- Does your workplace seem stressed all the time?
- Are you struggling to get new and repeat sales?
- Do you have high absenteeism or staff turnover?
- Are 'mis-understanding' in the work place costing the business money?
- Do you feel that job satisfaction is a thing of the past?

Wouldn't you prefer to work in a place where everyone is confident and happy? Where communication is clear and precise. Customer satisfaction is high and you easily generate new and repeat sales. Targets are accomplished easily without stress or confusion.

Everyone see's the change in you, and the confidence is easy to hear in your voice as you feel your inner strength shine through.

## **Attend our life changing course and be that person, that leader, that business!**

**A common sign of madness in our world is to do the same thing over and over again and expect different results. So jump in, take the plunge and change your life now, leaving behind those doubts or fears.**

**The proof and evidence is in the doing. Read our testimonials, give us a call and get all the information you need to make the decision that could radically change your life for the better.**

### **Our Guarantee to You**

You can feel safe and secure in the knowledge that Dr Richard Bandler has spent years perfecting what you will learn in seven days. It will challenge and inspire you to see the big picture of your work and life while focusing on the details of your behaviour which you want to change.

So, if after completing the first day of our practitioner course, you feel that you have not learnt anything and provided that you return all the training materials, we will then refund your course fees less a 10% administration fee.
